

HANARO KOREAN SCHOOL PARENT TEACHER ASSOCIATION

You are being invited to join the Hanaro Parent Teacher Association for the school year 2017-2018.

Hanaro PTA with fundraising and membership dues tries to enhance student enjoyment of Korean School by providing additional activities, like a birthday party, and a year end picnic.

Our goal for this year with the membership fee and fund raising is to raise enough money to continue to provide additional activities like pizza party and picnics and hope to add even more events.

Please join HANARO KOREAN SCHOOL PTA and show your support for school!

Membership fee is \$10.00 for one year. You are not limited to one membership. For example, we would love both you and your husband to be a member (2 memberships for \$20.00). If you are feeling very generous, we will be more than happy to accept any additional donation.

Please fill out the form below with your child's (children's) name, and send in the form with your child. The teachers will be collecting the forms during class.
